

# & REPEAT STUDIO

To our dear Clients:

To suit our clients differing needs, we have a couple of price options available for our designs.

**Our standard option**, giving you exclusive, unlimited, transfer rights:

- **£695 for Tier 1 designs**
- **£415 for Tier 2 (less complex) designs**

If you're in need of multiple designs, we have the following offers on Tier 1 designs:

- **3 designs for £1650 (£550 each)**
- **5 designs for £2500 (£500 each)**

**Our non-exclusive licence option**, for clients who are needing to be budget conscious:

- **£452 for Tier 1 designs**
- **£270 for Tier 2 designs**

Please apply the following discount code: **NONEXCLUSIVEOPT** at checkout to opt for a non-exclusive licence. The price will be adjusted accordingly for all designs in your basket.

**The important and hugely beneficial reason for pricing this way:**

Pricing this way allows us to pay our designers fairly for **all** the work they do (whether sold or not!)

Much of the fashion print design industry works through a sales-commission-only model which can leave young designers out-of-pocket, and with little support and guidance.

We work in a very collaborative way, paying our designers fairly for all the work they do, and offering lots of support and training. When you buy designs from us, you know that your purchase is 100% ethical.

Please email me at [georgia@andrepeatstudio.com](mailto:georgia@andrepeatstudio.com) and I'll be happy to discuss these options further with you.

Looking forward to working with you,  
All the best,  
Georgia
